Sale Items & Set-up Information

Describe the types of items you will be selling:

Describe your set-up, including size, number of tables, etc.:

Set-up Information

Set-up begins anytime on Friday morning; however, items must be unloaded and vehicles and trailers must be moved from vendor/merchant area by 9 a.m. each day. Additionally, the park site will not be available to vendors prior to Friday. Also, vehicles will not be permitted in the area until the close of the program (Sat., approx. 5:30 p.m. and Sun., approx. at 4:30 p.m.) or until the park manager determines it is safe after the public has left the park site. You must provide your own seating and tables.

In the encampment area, the set-up must be Civil War, WWI, WWII or Vietnam appropriate. Modern equipment must be well camouflaged. The Lockport Township Park District reserves the right to ask a vendor to leave the park site if they are unwilling to meet the requirements of the program.
