Sale Items & Set-up Information

Describe your set-up, including size, number of tables, etc.:

Describe the types of items you will be selling:

Set-Up Information

Set-up begins anytime on Friday morning; however, items must be unloaded and vehicles and trailers must be moved from vendor/merchant area by 9 a.m. each day. Reenactors must check-in the day they arrive to receive parking and other important information. Additionally, the park site will not be available to vendors prior to Friday. Personal vehicles will not be permitted in the area until the close of the program (Sat., approx. 5:30 p.m. and Sun., approx. at 4:30 p.m.) or until the park manager determines it is safe after the public has left the park site. You must provide your own seating and tables.

In the encampment area, the camp site must be appropriate to the time period. Modern equipment must be well camouflaged. The Lockport Township Park District reserves the right to ask a vendor to leave the park site if they are unwilling to meet the requirements of the program. **The Lockport Township Park District reserves the right to inspect and or prohibit the sale of certain merchandise if deemed inappropriate or dangerous. Examples but not limited to: (live ammunition/racist materials)**

Mail this application and the $100 fee to the following:: Lockport Township Park District
