

The *Get Set for School* program is a flexible, play-based curriculum. It offers a full pre-writing program and materials that build critical skills like early math and literacy. It includes three programs that strive to prepare children for school:

The writing program is *Readiness & Writing* for 3's/4's and *Kick Start Kindergarten* for 4's. The additional programs are *Language & Literacy*, and *Numbers & Math*.

This program is **multi-sensory**, so the activities are varied and are designed to teach to all learning styles.
