The Ed Brown Tree & Bench Commemorative Program

Leaving a Legacy

Through *The Ed Brown Tree and Bench Commemorative Program*, friends and family can provide a unique dedication to a loved one by placing a tree or bench in one of Lockport Township Park District's beautiful parks.

A commemorative tree or bench can be purchased for many occasions including the memory of someone who has passed, in honor of a dedicated service member, to celebrate a birthday, a graduation, retirement or any other occasion.

This timeless contribution will not only provide a lasting memory, but it will also serve as a hallmark to celebrate your loved one's life and/or accomplishments.

The Park Services Department staff will be responsible for the tree maintenance and the planting of commemorative trees in the spring, early summer or fall depending upon the weather and tree species availability.

Although the Park Services Department has the final decision regarding tree and bench locations, every effort will be made to accommodate the donor's request.

Additional questions pertaining to *The Ed Brown Tree and Bench Commemorative Program* should be directed to Ken Tondini at 815-838-5016 or ktondini@lockportpark.org.

Meaning behind the Name

The Ed Brown Tree and Bench Commemorative Program was named after the Lockport Township Park District's former Director of Park Services, Ed Brown, who worked for the Park District for over 30 years.

After passing away in February 2004, Ed was recognized for his dedication to the Park District and the community; accordingly, *The Ed Brown Tree and Bench Commemorative Program* was named in his honor.

Commemorative Trees

The Dellwood Foundation's commemorative trees are 2" to 3" around and a minimum of 6' in height. The tree will be planted in a neighborhood park. The final location will be determined by the Park Services Department.

A plaque will be mounted at the base of the tree after the tree's growth has been established. Trees will be planted in the spring, early summer or fall. Your \$400 donation includes the tree, delivery, installation, a remembrance plaque and maintenance.

Commemorative Park Benches

The Dellwood Foundation's commemorative park benches are 6' long and made of recycled plastic. The price for each commemorative park bench is \$1500, which includes the bench itself, delivery, installation, concrete pad, a commemorative plaque and maintenance.

Although the Park Services Department has the final decision regarding bench locations, every effort will be made to accommodate the donor's request.

Dellwood Foundation

The Dellwood Foundation is a 501©3 charitable organization dedicated to enhancing cultural and recreational opportunities in Lockport Township. An affiliate of the Lockport Township Park District, the foundation works to provide cultural events, park improvements and assist with recreational programming.

*** Important Information ***

In order to maintain the integrity of our parks, we are asking all of our donors to refrain from decorating the trees, benches or the area around them as these materials can become hazardous to the people utilizing our parks. Thank you in advance for your cooperation in this matter.
