Set-Up Information

Set-up begins anytime on Friday morning; however, items must be unloaded and vehicles and trailers must be moved from vendor/merchant area by 9 a.m. each day. Reenactors must check-in the day they arrive to receive parking and other important information. Additionally, the park site will not be available to vendors prior to Friday. Personal vehicles will not be permitted in the area until the close of the program (Sat., approx. 5:30 p.m. and Sun., approx. at 4:30 p.m.) or until the park manager determines it is safe after the public has left the park site. You must provide your own seating and tables.

In the encampment area, the set-up must be Civil War, WWI, WWII or Vietnam appropriate. Modern equipment must be well camouflaged. The Lockport Township Park District reserves the right to ask a vendor to leave the park site if they are unwilling to meet the requirements of the program.
