SOUTH PACIFIC – PARAMOUNT THEATRE, AURORA

If you don't have a dream, how are you going to have it come true? Set in a tropical paradise with warm sea breezes, breathless sunsets, and B-29 bombers, South Pacific is an uplifting musical tale that follows World War II Armed Services personnel, Ensign Nellie Forbush and Lt. Joseph Cable, through spy missions, wartime drama, and romance. Balancing duties to their country with their island expectations, they each find themselves irresistibly falling in love on foreign soil. But will that love translate back in the States?

Lunch is included prior to show across the street from the theatre.
