## NOW HIRING CERTIFIED PERSONAL TRAINERS

# MAKE THIS YOUR WORKSPACE

Our BeaverFit Shred Shed and integrated workout stations offer barbells, bumper plates, kettlebells, TRX rigs, sleds, battle ropes, a 40-yard dash track, and multi-use functional stations — giving you everything needed to deliver dynamic, high-impact training sessions in an energizing open-air environment.

Are you a passionate and motivating fitness professional looking to inspire others to achieve optimal health? Challenge Fitness is seeking part-time Certified Personal Trainers to join our dynamic team!

In this role, you'll play a key part in helping members reach their fitness goals by designing customized training plans for both one-on-one and small group sessions.

Train clients in a fully equipped fitness center — including our expansive **outdoor training space** — while building meaningful relationships and delivering measurable results.
