March 2026

## What's Happening

Our classes have been working hard on recognizing and writing both capital and lowercase letters. The 3-year-old classes are practicing writing their names in all capital letters while continuing to identify their names in title case (first letter capitalized, the rest lowercase). Some of our 4-year-old students have transitioned to writing their names in title case, while others are still strengthening their skills using all capitals.

Although many of the 4-year-olds are beginning to use pencils more frequently, it is still very helpful for them to write with small pieces of crayons. The shorter crayons naturally encourage the correct finger grip and provide a sensory experience that supports memory of letter formation. Practicing with a variety of materials—such as markers, chalk, and oil pastels—also reinforces learning. Most importantly, writing should always be a fun and engaging experience!

## Dress for the Weather

The theme for this month is “Weather Fun”. The weather changes in February are always interesting. It has been nice to venture outdoors and we hope to continue as long as the weather cooperates. Please be sure to encourage your child to dress in clothing that can get dirty (sometimes slightly wet) Also, it is always encouraged to pack hats & gloves in your child’s bag just in case.

## Preschool Registration

**Priority Registration** for currently enrolled students and their siblings began on **Monday, February 23rd** and will run until **Thursday, March 5th**. Please reference your priority registration letter for more details. Open Registration will be online beginning **Saturday, March 7<sup>th</sup>** at 8AM for Residents and **Saturday, March 14th** for Non-Residents.

## Upcoming Events
