PRESCHOOL NEWS

What is Happening?

Spring has sprung! Our preschoolers have been enjoying the outdoor play. Please remember to send your child to school with a sweatshirt or coat each day they attend school as we will venture outdoors as much as possible.

The Week of The Young Child is the annual celebration established by NAEYC (National Association for the Education of Young Children) to recognize that the early childhood years lay the foundation for children's success in school and later in life. Each classroom will send home information outlining special activities occurring in their classrooms to celebrate this special week.
