Q: What does my child need to bring to Enrichment?

A: Your child needs a school-sized backpack, a change of clothes packed in a ziploc bag, and a filled (spill-proof) water bottle, and a nut-free lunch packed in a lunch bag. Please label all of these items before sending them to school with your child.

Q: Does my child need to be completely toilet trained for Enrichment?

A: It is preferred that children are toilet trained for preschool. However, we are willing to work on this with parents. Please contact Heather Kuncis if your child is having issues with toilet training.

Q: Are the Enrichment Teachers able to help the children in the bathroom?

A: Our staff members are able to help minimally in the bathroom with pulling down/up pants and underwear. It is best to dress children in clothing that makes it easy for them to pull down/up their pants/shorts when using the toilet. Staff are also not able to wipe children once they have used the toilet. Please practice this skill at home.

Q: Who should I notify if my child is going to be late to Enrichment?

A: Message your the Lead Teacher of your child's class on Class Dojo if your child will be late, or if you will be picking up early.

Q: Can I send in a treat for my child's birthday?

A: Yes, you may send in pre-packaged, store bought treats for your child to hand out to their classmates. If you are sending in multiple items, please be sure to back them in goody bags that are ready to send home in classmates backpacks.

Q: Can I send in medication for my child to take at school?

A: Yes, please notify your child's teacher before sending any medication in the back pack. You will need to fill out a medication form before staff members will be able to administer any medication to your child.

Q: How do I add/remove people from my child's Emergency Form?

A: Please just notify the Lead Teacher of your child's classroom and they can add/remove names for you. Include phone numbers for anyone you are needing to add.

Q: What kind of shoes should my child wear to school?

A: Due to daily outdoor or gym play, we recommend your child wear comfortable gym shoes or sandals that enclose the entire foot. Please do not send your child in crocs, flip flops or dressy shoes with a heel. These kinds of shoes cause accidents during outdoor and gym play.
